

# Power Up Your Productivity with our **Ultimate** Pouch Label Applicator

Meet the compact desktop labeling machine built to streamline your workflow and deliver flawless flat-surface labels - every time.

Perfect for pouches, boxes, books, folders, cartons and more, this smart applicator takes the hassle out of manual labeling and boosts your output instantly.

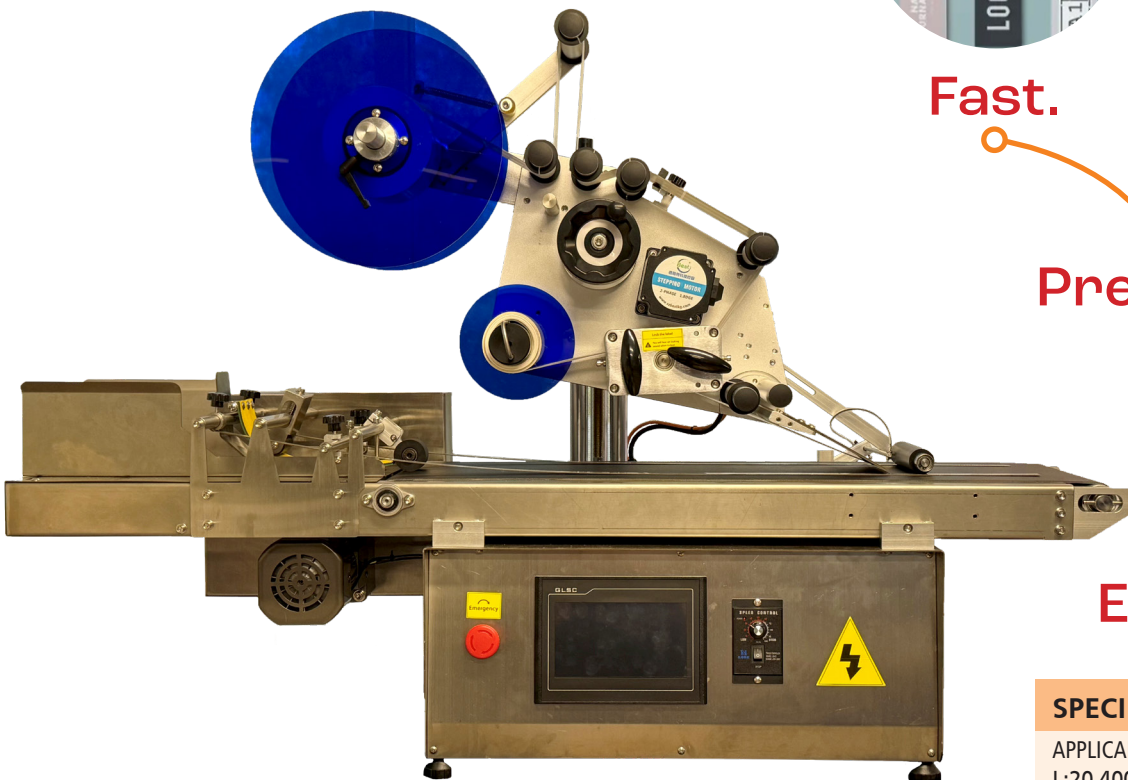

**Fast.**

**Precise.**

**Effortless.**

## WHY YOU'LL LOVE IT

### SMART TOUCH CONTROL

Set your speed, timing and label orientation with an intuitive touchscreen - no fiddly manual adjustments or complicated setups. User-friendly operation pre-installed.

### PRECISION SENSORS FOR PERFECT PLACEMENT

Equipped with premium SICK (Germany) electric eye sensors, ensuring every label hits the mark - no misses, no misalignment, no wasted stock.

### VERSATILE FLAT-SURFACE LABELING

Pouches? Paper Boxes? Files? Books? If it's flat, this machine labels it. One device, unlimited applications.

### HIGH-SPEED PERFORMANCE

Achieve up to 50-100 labels per minute (3,000-36,000 per hour), making fast work of even the biggest production runs.
